INTERNSHIP COMPLETION CERTIFICATE

Date: 10 July 2026

Internship Experience Letter

Title: DevOps Intern

This letter is to certify that **Somyajeet Singh** successfully completed an internship as a DevOps Intern at **Springer Capital Investments LLC**.

Spanning from **09/03/2026 to 10/06/2026**.

During his internship, **Somyajeet Singh** actively contributed to DevOps operations and cloud infrastructure support at Springer Capital Investments LLC. His responsibilities included assisting with CI/CD pipeline configuration, containerization, deployment automation, system monitoring, version control using Git, and troubleshooting deployment-related issues. He also supported documentation of DevOps workflows and collaborated on improving deployment efficiency and operational reliability.

Throughout the internship, Somyajeet demonstrated strong analytical and problem-solving abilities, a willingness to learn modern DevOps practices, and professionalism while working in a remote environment. He consistently completed assigned responsibilities with dedication and maintained effective communication with the team.

We sincerely appreciate **Somyajeet Singh's** dedication, professionalism, positive attitude, and commitment throughout his internship. We wish him continued success in his academic journey and future professional career.

Sincerely,

Isaac Rosenthal
